Re: Combined Campaign Reports  
Our File No. I-93-240

Dear Mr. Clark:

This is to confirm telephone assistance provided to you regarding the campaign disclosure provisions of the Political Reform Act.<sup>1/</sup> This letter constitutes written advice under Section 84205, which states:

The Commission may by regulation or written advice permit candidates and committees to file campaign statements combining statements and reports required to be filed by this title.

The County of Monterey will conduct a runoff election on August 3, 1993, to fill supervisor positions. Because the pre-runoff election statement filing period will extend beyond the close of the first semi-annual filing period, we believe it is appropriate for candidates being voted upon in the election, their controlled committees, and committees which are primarily formed to support or oppose candidates being voted upon in the election to file campaign disclosure statements according to the following schedule:

---

1/ Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated. Commission regulations appear at 2 California Code of Regulations Section 18000, et seq. All references to regulations are to Title 2, Division 6 of the California Code of Regulations.

Re: Combined Campaign Report  
Our File No. I-93-273

Dear Ms. Petersen:

This is to confirm advice provided to your office on July 6, 1993, regarding the campaign disclosure provisions of the Political Reform Act (the "Act").<sup>1/</sup> This letter constitutes written advice under Section 84205.

Section 84205 states:

The Commission may by regulation or written advice permit candidates and committees to file campaign statements combining statements and reports required to be filed by this title.

A ballot measure election has been called for the City of Santa Rosa. The election date is August 31, 1993. Ordinarily, the first pre-election statement due in connection with the election would cover the period July 1 through July 17, 1993, and would be due on July 22. However, because the first semi-annual statement, covering January 1 through June 30, 1993, is not due until July 31, we believe it is appropriate for committees primarily formed to support or oppose the ballot measure to combine the semi-annual and first pre-election statements.

---

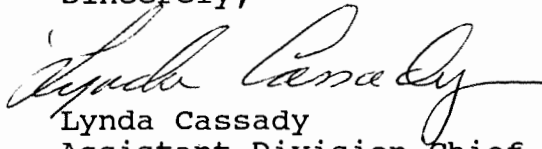

<sup>1/</sup> Government Code Sections 81000-91015. All statutory references are to the Government Code unless otherwise indicated. Commission regulations appear at 2 California Code of Regulations Section 18000, et seq. All references to regulations are to Title 2, Division 6 of the California Code of Regulations.

Therefore, campaign disclosure statements should be filed on the following schedule:

<u>Type of Statement</u>	<u>Period Covered</u>	<u>Filing Deadline</u>
1st Pre-Election Combined with Semi- Annual statement for the first half of 1993	Jan. 1 - July 17	July 22, 1993
2nd Pre-Election	July 18 - Aug. 14	August 19, 1993
Semi-Annual	Aug. 15 - Dec. 31	January 31, 1994

If you have any questions regarding the above, please do not hesitate to contact me at (916) 322-5662.

Sincerely,
